Why Pancakes?

Giving up foods, but not wasting them.

In the old days there were many foods that Christians would not eat during Lent, such as: meat, fish, fats, eggs, & milky foods. So that no food was wasted, families would have a feast on Shrove Tuesday, and eat up all the foods that wouldn't last the forty days of Lent without going off. Pancakes were made on Shrove Tuesday as they were a dish that could use up eggs, fats & milk in the house by just adding flour.
