GIFT 'Draft' Financial Case for All Saints

After prayerful consideration and consultation with many of our members we are excited to put forth a plan to enhance the life and ministry of All Saints. Projects in four main areas will be undertaken.

- 1) Accessibility of our facilities is a priority for us. The outside entrance to the hall will be improved to make it fully accessible.
- 2) We will enhance the exterior of the church to improve our visibility as an active church in the community (a steeple, bell tower, cross, stained glass window, and outside banners are some of the possibilities that will be considered).
- 3) As a worshipping community seeking to be welcoming to all we will improve the ventilation in the church to allow for a more comfortable and healthy environment all year round.
- 4) We will improve our kitchen facilities to make them more user friendly for ourselves and the community.

Our Goals	Estimates
Modify Outside Entrance to the Hall	\$8,000.00
Enhance the Exterior of the Church	\$10,000.00
Improve Ventilation in the Church	\$5,000.00
Kitchen Upgrades	\$2,000.00
Total All Saints Goals	\$25,000.00
Diocese Gift Goal	\$18,500.00
TOTAL	\$43,500.00
